Sir,

I have the honour to state that the Road known as "Monument road" running South from the Monument upto the Cauvery river and commencing from 4/3 of Seringapatam Railway Station-Gumbuz road is at present a District Board road. It is about 1¼th mile in length with a mileage allotment of Rs. 100/-. In view of the importance of the road requiring proper upkeep and attention, the question of transferring it to the control of the Public Works Department was considered by the District Board at their Meeting held on 6th April 1929 when the above proposal was sanctioned. (Resolution No. 407).

In enclosing an extract from the Proceedings of the District Board Meeting, I requests that sanction of Government may kindly be obtained for transferring the maintenance of the road to the Public Works Department.

It may also be reported for the information of the Government that the entire length of the Monument road is within the limits of Seringapatam Municipality which is not maintaining it.

I have the honour to be,
